OUTPUT

1 item

text

1. **What is this document about?** The document is an overview of Microsoft OneDrive, describing its cloud storage, backup features, Office integration, sharing and collaboration tools, security options, and mobile app capabilities. *Reference: "Get started with Microsoft OneDrive... OneDrive provides one secured place for your files and photos... Office for the web... Share and collaborate... Security... Get more features with the mobile app."* 2. **Who is the intended audience? The intended audience is anyone who wants to store, protect, and access their files across devices—i.e., users of OneDrive and potential Microsoft 365 subscribers. *Reference: "Save your files to OneDrive... you can create, access and edit your files from all your devices... Share documents... with the mobile app... Be more creative, organized and secure with Microsoft 365."*
